

Outcomes/Benefits of Leadership Charlottesville

Benefits to the Employers:

- You have an employee who is much better educated about the community
- Your employee's leadership skills are strengthened, which strengthens your enterprise and enriches your organization
- Your employee is now linked to a new and growing network of leaders and professionals in the region
- You position your business as an organization that is committed to community quality of life issues

Benefits to the Participants:

- Receive a bird's-eye view of the issues and challenges facing the community
- Discover leadership strengths, and sharpen critical skills that are essential for effective, results oriented leadership
- Strengthen your sense of personal vision and power
- Reap the rewards of networking with an expanding and diverse group of community leaders.
- Discover opportunities to make a commitment on behalf of the community

Benefits to the Community:

- An increasing source of informed and dedicated leaders for our community
- An improved communications network among civic, social, educational, and business leaders.
- The interests of potential leaders are matched with the needs of the community
- A leadership base with a broadened perspective that is prepared to more effectively guide the Charlottesville region into the future.
